

Waiver Supplemental Services

A Georgia Division of Developmental Disabilities Program

What is the Waiver Supplemental Services Program?

The Waiver Supplemental Services Program offers services and goods that are not covered by Georgia Medicaid, such as Dental Services, Medication co-pays, Medical visits, or Vision Services, to individuals, who are receiving either the NOW or COMP Waiver, to help increase access to services and goods and to achieve an increased quality of life.

Eligibility Criteria

Individuals who are currently receiving the NOW or COMP waivers are eligible to apply for the Waiver Supplemental Services Program.

Will I Lose My Waiver?

No. This program is designed to help meet the needs of individuals who receive services through the NOW or COMP Waiver. The services and goods provided through the Waiver Supplemental Services Program are not eligible to be paid for through the Waiver services or Medicaid, and will not impact your waiver eligibility or services.
